Vince Byrne is coordinating the sale of surplus furnishings in the Church. A list is available at the Church entrance for interested parishioners. The list is subject to change without notice and items may be sold in bulk should an offer be received. Prices are negotiable to some extent. All items are sold as is, where is, with the buyer responsible for removal.

Items will be available after July 25/10. Any items that will affect the integrity of the structure or expose the interior to weather/vandalism will only be available after we have moved and at an agreed time as indicated by the Building Committee.

Please contact Vince Byrne for further information or to make an offer.
